

APPENDIX: THE INVESTIGATED DATA

- A.** (1) The most interesting article for me is "Desert Flower". (2) There are many knowledge we get by reading this article. (3) Otherwise by the lesson you give me so many article for us which can improve our knowledge. (4) Otherwise I think practice is more important than giving so many assignments.
- B.** (1) About all what I've read, they all give me new knowledge about other side of the world. (2) Some of them touching, shocking and entertaining. (3) I think it is good to choose different aspects of life like this. (4) Our sources of the country's story is only few. (5) I think it would be better if you make in variation. (6) I hope you will add the amazing story that will always remembered like Desert Flower. (7) I like the story, and I hope you will give me others.
- C.** (1) By accepting all the assignments giving to us, it improving our knowledge of life, culture and people. (2) However, it is rather absurd because it is a reading class but we do writing activities. (3) It is seems to be in vain, but it is a good class.
- D.** (1) In my opini about all the article that Mrs. Sri Suprapti gave me is a nice, good article. (2) In all the article there was a value or a lesson that we should know. (3) All the article is interesting but there is a lot of difficult words or vocab. (4) But it's OK for us, because we can learn new words and enrich our vocabulary. (5) Sometime, I admitted I'm bored but I have to throw away these feeling. (6) By reading those stories, we can learn many things for example the story about person who succeed e.g. Waris D. (7) She really works hard, sacrifice and never give up. (8) That's make us realize to get something we should try the best we can.
- E.** (1) As we know by reading a lot of the article make us increase our knowledge. (2) We can sharing as if the article bringing us in her or his situation. (3) Besides, we can known the story from several culture of human right in the word. (4) In fact, if we observing about life in other culture, it is can help us to realize that our culture is better then they get. (5) In my conclude, that learnig other culture through reading the article is an important thing. (6) We should know and it is can be enlarge our experience.
- F.** (1) Every stories that I ever read were very touching and also horrible. (2) I loved all the story because it was a real story from the writer or real experienced. (3) All of the stories had the similarities. (4) For example: it was teach us not to give up and God always help us with his hand. (5) For example is that we should become extender forgiveness.
- G.** (1) In my opinion, the most interesting article I have ever read is "Desert Flower" that telling story of a Somalian woman who suffered because of ciecumcision in her genital. (2) The tanacious woman become a popular supermodel and joint with United Nation Population fund to fight against the cruel practice.
- H.** (1) I get more lesson and acknowledge about everything in the world. (2) I can see another side of people's life. (3)

Sometimes, I am surprised at the story because it was incredible and unimaginable. (4) I really like the story of someone's life. (5) because I can learn about it to make decision in life and to appreciate our life more.

- I. (1) from all the articles I have got there is one article I like most, the title is "A Lesson in Giving." (2) It reflected our people's social life where the rich and the poor has a gap. (3) The article that I hate most, the title is "What is Right about

Reading" because I could not find out the writer's talk about. (4) From all the articles that I had read, I got a new knowledge and vocabulary that I don't know before. (5) And on the other side, I can learn about life of the writers.

- J. (1) all the story which ever I had read told about how to do something in our life. (2) The story told about culture too. (3) For example the story of Desert Flower told about Africa's culture that have strange culture for ladies.
