Authors: Badmus, O.T. and Jita, L. C.

I declare that I edited the academic article titled, *Analysis of Ordinary and Advanced Level In-field Physics Teachers’ Qualification, Experience and Job Placement*

During the editing process, I looked for and corrected spelling, grammar, punctuation, sentence and paragraph errors. Where I noticed inconsistencies or unclarities in the text, I made comments to draw the authors’ attention to the inconsistency or unclarity. I also made suggestions where changes could be made. I double-checked the references in-text and in the reference list to make sure that they are consistent throughout. Where sources or source information were missing, I indicated such to the authors so that they could locate and add the missing information.

Yours sincerely
