

Notes from the Editors

Dear readers, hopefully everyone stays healthy!

This edition of IPSR will feature ten articles on general issues. The new thing that emerges from this edition is the acceptance of manuscripts outside the Indonesian region's study. Currently, we also process manuscripts that discuss contemporary issues in Indonesia about decision and democracy.

In this edition, we published manuscripts related to **elections** (Agun Gunandjar Sudarsa, Nurliah Nurdin, Muhammad Taufiq, Makhdam Priyatno; Ni Wayan Widhiasthini; Martien Herna Susanti, Setiajid Setiajid; Eta Yuni Lestari, Nugraheni Arumsari;), local **democracy**

(Nur Hidayat Sardini, Bangkit A. Wiryawan, Rina Martini; Kacung Marijan, Ida Bagus Wirawan, I Gusti Ayu Agung Dewi Sucitawathi Pinatih; Widodo Widodo, Titik Pujiastuti, Pricilia Fitriasih Limbong, Sudibyso Sudibyso; Tri Lestari Hadiati, Haryanto Nugroho, Darmawan Tri Budi Utomo) and **policy** (Agus Heruanto Hadna; Trapsi Haryadi, Suswanta Suswanta).

Happy reading!
