UNNES JOURNAL OF MATHEMATICS EDUCATION

Unnes Journal of Mathematics Education is a peer-reviewed open access journal published thrice in a year (March, August and November). The UJME facilitates a forum for researchers and professional on mathematics education to discuss their ideas in an online (e-ISSN 2460-5840) and a printed (p-ISSN 2252-6927) version.

This journal has been indexed and abstracted in DOAJ, Google Scholar, BASE (Bielefeld Academic Search Engine), and Microsoft Academic Search.

The UJME has been accredited by National Journal Accreditation (ARJUNA) managed by Ministry of Research, Technology, and Higher Education, Republic Indonesia with Third Grade (Sinta 3) since Volume 8 Number 1, March 2019.
